Relations

The Group "Relations" decided to develope 4 video clips showing the differences among people and the reasons why they shouldn't be affraid of such differences. The clips are about culture/religion, music, language and food. The final 5th clip will show a lot of different faces of people saying basic keywords about good relations.Statements about the films:

" Our spots show that nobody must be frightened about different people, food or languages! "

" It was very fun and nice! I liked the teamwork! "

" We've put together our ideas in a simple way but we've obtained a great result! "

" A good result is not possible without a good team! "

" I'm satisfied with the progress in our group! And the final product as a whole. "

" The work was filled with emotions and the result is OK! "

" Our spots show that it is good to be open for new things like other food etc. "
